

**The State Board of Elections announced that the NC Department of Motor Vehicles (NCDMV) is now offering online Voter Registration (OVR) as part of services available on the NCDMV website.**

What does that mean:

**At no cost and without conducting any other DMV business, voters who have a NC Driver License (NCDL) or NCDMV -issued ID (NCID) will be able to:**

- **Update your voter registration information (including your political party)**
- **Register to vote (if you did not do so when you got your DL or ID)**
- **You cannot change your name**

**This is not yet real online voter registration because it requires that you have a NCL or NCID before you can access the system, but it is an important step in the right direction!**
